

Vocational Exam Location:

Susan Hayward School of Dance

496 6th Street

Montara, CA 94037

(650) 728-7519

Dear Parents & Students,

Please be courteous and not park on the street or block the neighbors' driveways and access areas. The Susan Hayward studio is the historic Montara Elementary School building. The outside gardens and lower level studio (where the exams are held) are rented out for weddings during good weather. Please do not disturb events in progress.

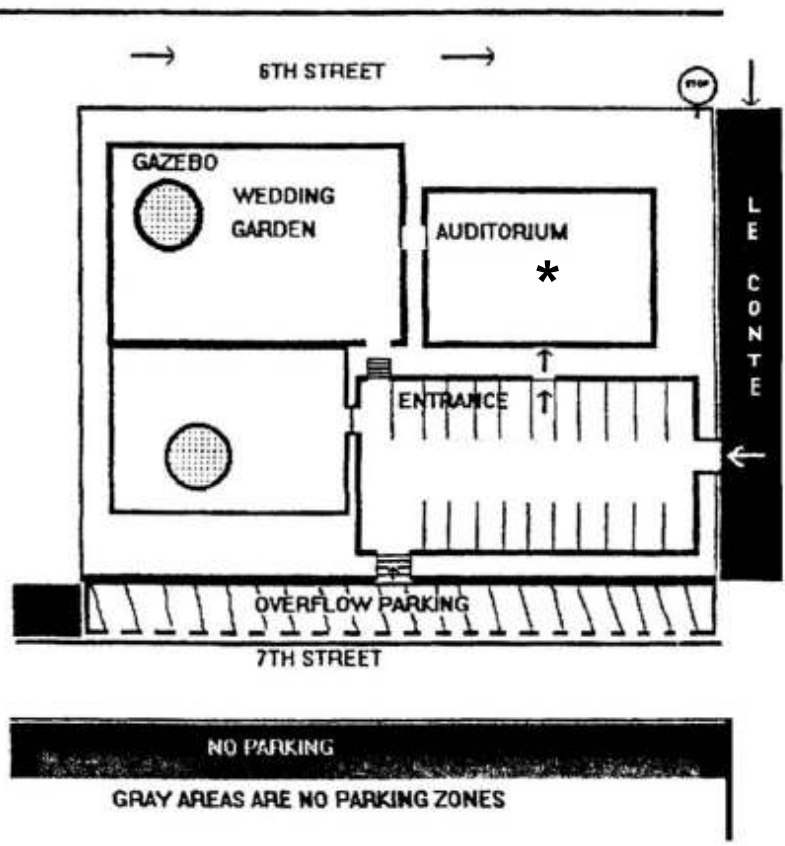

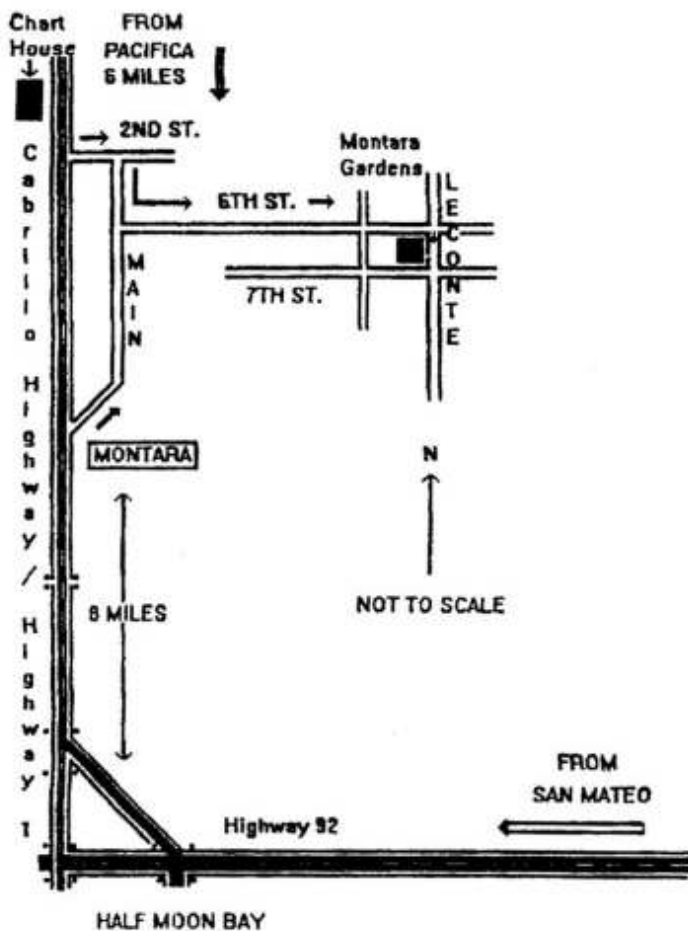

Please DO NOT walk around the building and always be mindful of the necessity for absolute quiet.

To maintain the best environment for the exams may we suggest parents wait in their cars or go to the Starbuck's or Burger King in Half Moon Bay. Any break in protocol can jeopardize our student exam scores. We do not want to upset the examiner.

Ms. Rachel & Staff

Rachel's Ballet

From the parking lot, go up the stairs to the main entrance of the Susan Hayward School of Dancing. Note arrows below from the parking to the auditorium. *

Parking is available in Susan Hayward's off-street parking lot, on 7th Street behind property fence, and on 6th Street in front of the building. Please note on map the 2 grey areas. These are NO PARKING zones. Citations will be given if parked in this area. The studio is in a residential area, therefore we need to have respect for neighbors driveways and access point areas.
